* Under [SuperStream](#) (the Government's legislation for electronic superannuation payments), all employers must pay super guarantee contributions for their eligible employees through a method that meets the SuperStream rules. Employers can do this by using:

- Their own software solution that complies with the ATO's SuperStream requirements;
- A solution by an outsourced payroll or other service provider that complies with the ATO's SuperStream requirements; or
- A clearinghouse, such as the [Small Business Superannuation Clearing House](#).
